

Adopt Your Favorite Turtle Back Zoo Animal Today!

Caring for the animals at Turtle Back Zoo is no small task. That's why the Zoological Society of New Jersey – the nonprofit organization that supports the zoo – offers the Adopt-An-Animal program. The program gives supporters the chance to help care for their favorite animals with a tax-deductible adoption donation.

How can you help? Just choose your favorite animal from those listed inside, fill out the form and send it back to us with your check. You can also adopt an animal online at our website: www.turtlebackzoo.org.

Once we receive your information, you'll get an adoption certificate suitable for framing, a fact sheet on your animal, a bumper sticker, a photo of your sponsored animal to display in your home or office, and your name or group name displayed on the Adopt-An-Animal Honor Roll Board located near the Zoo entrance.

Renewing members receive a small certificate and a decorative magnet displaying the Adopt-An-Animal logo.

Black Dragon

Penguin

Llama

Leopard

Kangaroo

TURTLE BACK ZOO is committed to providing an enriching recreational experience that fosters excellence in wildlife education and wildlife conservation so that present and future generations are inspired to understand, appreciate and protect the fragile interdependence of all living things.

Animal Adoption Program

Please Help the Zoological Society of New Jersey care for the Zoo's animals with a tax-deductible adoption today!

From the 1,000-pound Bull Bison to the tiniest baby Box Turtle, all of the more than 200 animals at Turtle Back Zoo get hungry every day. Their basic dietary needs are provided for by a yearly budget administered by the Essex County Department of Parks, Recreation and Cultural Affairs of the County of Essex. However, they still need your support to address special dietary items and care.

Every year we use almost 100 tons of food to feed our animals. Our shopping list includes:

- 8,000 pounds of meat for the wolves and cats
- 17,000 pounds of grain and seed for the waterfowl and other birds
- 6,400 pounds of meat for owls, eagles, falcons, and other birds of prey
- 170,000 pounds of hay
- 45,000 pounds of grain for hooved animals
- 46,000 pounds of fresh fruit and vegetables
- 60 dozen eggs
- 11,000 pounds of fish

Timber Wolf

Gibbon

Elk

Shared Adoption

For \$30.00 you can join in supporting one of the larger (more expensive to provide for) animals. The same yearly program benefits apply. A shared adoption makes a thoughtful gift. Due to popularity, one animal may have more than one sponsor.

Level 1 \$25

Axolotl
Ball Python
Bearded Dragon
Blue Tongue Skink
Boa Constrictor
Caecilian
Chicken
Chinchilla
